The screenshot shows the Jira Software interface for a project named 'Personal Expense Tracker'. The top navigation bar includes 'Jira Software', 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', 'Apps', and a 'Create' button. A search bar is also present. Below the navigation bar, a banner asks if the team needs more from Jira, offering a free trial of the Standard plan. The main heading is 'All sprints'. On the left sidebar, under the 'PLANNING' section, the 'Board' option is selected. Under the 'DEVELOPMENT' section, there are options for 'Code', 'Project pages', 'Add shortcut', and 'Project settings'. The main content area shows a Kanban board with four columns: 'TO DO', 'IN PROGRESS', 'IN REVIEW', and 'DONE 11 ISSUES'. The 'DONE' column contains two cards: 'REGISTRATION PET-14' and 'REGISTRATION PET-15'. A 'Quickstart' button is located in the bottom right corner of the board area. The bottom of the screen shows a Windows taskbar with a search bar and several application icons.
